Our Grade 10 student has successfully participated in the SBI Scholar Quiz 2025, a prestigious event that aims to promote financial literacy among young minds. This initiative has provided our student with a valuable opportunity to enhance their knowledge of banking, economics, and financial concepts.

The JOYRIDE IN SCHOOL BUS sounds like a delightful experience for the Pre-primary and Grade 1 students. Visiting the nearest village had an exciting adventure, allowing them to explore new surroundings and create happy memories. Experiential learning like this can be so beneficial for young minds.

School organized a vibrant and culturally enriching Palkhi procession for Pre-Primary to Grade VIII. The aim of the program was to introduce our students to the rich cultural heritage of our country.

The Palkhi procession began with the Pre-Primary students carrying small palanquins adorned with flowers and other decorative items. As the procession moved through the school premises, students from higher grades joined in, carrying the main Palkhi. The palanquin was beautifully decorated and carried by students from the higher grades, symbolizing the reverence and respect for spiritual and cultural traditions. Throughout the procession, students performed traditional dances, sang devotional songs, and played traditional musical instruments. The event was filled with joy, devotion, and a sense of community.

The Palkhi procession was a huge success. It was wonderful to see the students' excitement and respect for tradition. It was a memorable event that not only provided a glimpse into our rich cultural heritage but also instilled a sense of pride and respect for tradition among the students.
